tain extent Protectionists. They can do associated five lady vice-presidents and an good service within the Democratic Advisory Board consisting of twelve genparty though not claiming to be en- tlemen. The constitution provides for actirely orthodox, nor recognized as being so. live, honorary, and life members, and for the

ver question. The National Democratic are antiquilies to be preserved. Convention of 1880 declared as follows:

We suppose there are not half as many monometallists as bimetallists in the Democratic party, yet we hold that there is room not to be considered as the advocacy of any cratic party, yet we hold that there is room in the Democratic party for monometallists and work there for them to do. By the way, it is said that the Republicans are so much afraid that the Democrats will make capital resolvent. This action is worthy of comment. It insaid that the Democrats will make capital resolvent. A comment of the Democratic party for monometallists and work there for them to do. By the way, it is said that the Republicans are so much afraid that the Democrats will make capital resolvent. A comment of the Southern are some party of the Southern for the Southern depends on the Southern for the Southern depends on the Southern for the Southern for the Southern depends on the Southern for th kets by professing to be bimetallists.

LIAM L. ROYALL, the Petersburg Index-Ap- | so to vote. peal, the Alexandria Gazette, the Amberst New Era, and other persons and journals have their own opinions of the RIDPLEBERgen bill and of the manner in which the State's creditors should be treated; but they are all sound Democrats on the main question-that is, the duty of the Democratic party to contend for the principles of JEFFERSON, MADISON, MONROE, and JACK-

In view of these facts, shall the Democratic State Convention soon to be held in Virginia lay down a platform? The Winchester News says it ought to do so. We

"We may make whatever question we out the pishform is the declaration of the party's principles and should speak upon all the living issues of the day.

"All that the platform contains need not be the subject of discussion upon the flushing ways.

"A New Yorker worth \$7,000,000 waite!

"A R M O R V C O M D A NO R V C D A

ings, but the position of the Democratic party should be pronounced and unequivo-cal. Its position upon the tariff and internal revenue should be fearlessly proclaimed. There has been always a tariff plank in the platform,—to retain it would call for no criticism, but to omit it would signify a great deal. There must be no suspicion of surrender upon this point. Let the party principles be emblazoned upon the party

principles be emblazoned upon the party standard, and let us stand upon that and the party's record in the State."

"The administration of Governor Lee has been wise and judicious, and our legislative record is clean and strong. The Agricultural Commission has been created, and liberal appropriations have been made to encourage agricultural progress and to induce the progress of a settle. A thin our borders. courage agricultural progress and to induce immigrants to settle within our borders. The mechanics' lien law has been enacted, securing to the laborer the price of his labor. The schools have been maintained and are flourishing as they never flourished before. The asylums have been supported and enlarged, and the state debt has been settled as nearly as a settlement is possible at this time.
This record contrasts strongly with the fraud and neculation and mismansgement of the previous Republican administration.

There bas always been a turiff plank in the platform : to omit it would signify a good deal, says the News, True enough; but shall we retain it as it reads in the Rosnoke platform, or shall we change it? It there there of "Whom Nature Leadets," &c. Same publishers. Price in paper 30 cents. reads as follows:

TARIFY. Third. We favor raising the revenue requisite for the support of the Federal Government by a tariff upon imports, limited to the necessities of the Government economically administered, and so adjusted in its application as to prevent unequi burdens, en-courage productive interests at home, the development of our material resources, and afford just compensation to labor, but not to

for Federal aid to education in the States. was a festure of the Roanoke platform. If we adopt a platform this year and neglect or fall to endorse the BLAIR bill, " or a better one," our nominee for Governor will have a | In passing along the leading streets in almost hard row to bee and our Democratic stumpers will wish they had never undertaken to
formulate a creed for this year. We must
have all the good things contained in previous platforms, or the voters will be sure to want to know "the reason why" any of them really be sufficient and no man ruddy who has dis-

We ask for fair play. If there is to be a barbed-wire fence constructed by the next Democratic State Convention for the purpose of keeping out men who do not agree with one of the utterances of the party in convention assembled, then there ought to We ask for fair play. If there is to be a structed for the purpose of keeping out SIMPKIN & HILLYER, be a fence of the same description coneach and all of the dissenters.

If there had been no rebellion Mr. Lincoln could not have interfered with slavery in the southern States or deprived the slaveholders of their human chatteleany more than of their
